HOW TO BUILD NEW SKILLS

(You only need 15 minutes a day)

Open Source. Build something, put it on GitHub, and ask for feedback.

Online Learning. Take a lesson on Team Treehouse, Code School, or Code Academy.

Share What You Know. Write a blog. Start a podcast. Give a talk at a MeetUp event, small business association, or with your peers at work.

TeamTreehouse.com, CodeSchool.com, CodeAcademy.com, MeetUp.com
